

DAYLITE OCTA 7

The Daylite Octa 7 delivers beautiful, broad and even illumination from the seven-foot octagonal front screen using an efficient soft silver interior and weighted baffle. Chimera's Lightbanks are handcrafted in Colorado using professional quality, proprietary textiles.

- Large 7' (2.1 m) front screen
- Soft solution for large format hot lights
- Optimized design for the ARRI M40
- For use with fixtures up to 4kW
- Vents provide for proper internal cooling
- Compatible with Quartz / Daylite OP Rings
